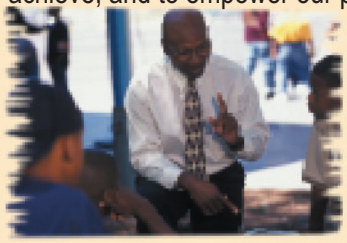
VISION STATEMENT

100 Black Men seeks to serve as a beacon of leadership by utilizing our diverse talents to create environments where our children are motivated to achieve, and to empower our people to become self-sufficient share-holders in the economic and social fabric of the communities we serve.



MOVEMENT OF YOUTH

The Movement of Youth (MOY) mentoring and education program maintains about 50 mentees from 6th to 12th grades. They are encouraged to stay in school and pursue a post-secondary education. Saturday Academies (twice monthly group mentoring sessions) cover such topics as study skills, life skills, investing and the stock market, Black History, and Health and Wellness issues. Our 3.0 Club recognizes outstanding academic achievement at the end of each school year. Since 1991, more than $750,000 has been expended for the MOY program. Our high school graduation rate is 100%.

SCHOLARSHIP PROGRAM

Establishing a scholarship program was an important goal when this organization was founded. MOY mentees maintaining at least a 2.5 GPA are eligible for scholarship awards. Our Malcolm Robinson Memorial Community Service Scholarship of $500 is open to graduating seniors in Charlotte-Mecklenburg Schools. 95% of our mentees qualify for scholarships. Overall scholarship awards to date exceed $250,000.
